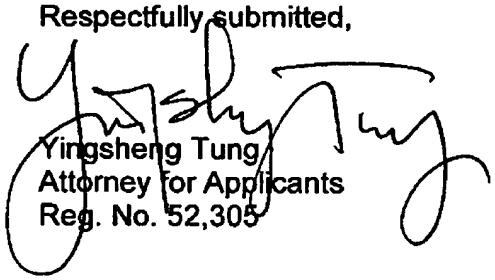
Remarks/Arguments

Applicants thank Examiner Parekh for his careful examination of this application and for the clear explanation of the claim objection and rejections; and for conditionally allowing claims 2, 4, and 6. In response to the Office Action of August 15, 2005, applicants amend claims 2, 4, and 6 to rewrite them in independent form and to include all of the limitations of the base claim 1. In addition, applicants cancel claims 1, 3, 5, and 7-14 to make this application in allowable form.

Respectfully submitted,



Yingsheng Tung
Attorney for Applicants
